

## AFRICAN AMERICAN REPUBLICAN LEADERSHIP COUNCIL

### **GOP Black America Alliance Open Door Compact & Signatories**

The Nationwide Reaganite Network Of Political Donors raising African American support of common sense Republican public policies, delivering the Black electorate threshold votes for victory in closely contested winnable races and

Helping elect winnable Pro-Growth Conservative African American Republicans

### **GOP Black Alliance Open Door Compact**

I \_\_\_\_\_, see the need and believe in re-igniting GOP Black America Alliance, sine qua none, in restoring the Mantle of Lincoln by engaging Black America in the completion of the conservative movement as dreamt by Ronald Reagan, and am pleased to endorsed African American Republican Leadership Council "New Rules of Engagement Mission" in Breaking the liberal democrat stranglehold over Black America by:

Raising African American support of common sense Republican public policies,

Delivering the Black Electorate for victory in closely contested races, and

Helping elect Pro-Growth African American Republicans beginning at the local state level.

I, wholeheartedly agree that increasing Black America support to at least 25 percent is reasonable and attainable in making the overwhelming difference vis-à-vis Reaganite candidates and common sense public policies.

Black America can count on my ironclad commitment and full support.
